

Eric D Jackson

Leadership Coach. Financial Strategist. Author. Speaker.

As a financial and leadership expert, Eric empowers people to lead themselves and others with confidence, maximize performance, and create lasting impact. With deep experience in both financial strategy and people development, he helps the audience assess where they are, so they can achieve what matters most, and helps them to build high-performing teams that thrive in today's complex marketplace.

Through engaging, actionable keynotes, Eric delivers real-world tools that drive clarity, accountability, and growth—personally and professionally.
